Take 30 covered bridges spanning two counties and what do you have? Road trip! The Washington and Greene Counties Covered Bridges Driving Tour provides the essential information (directions, stats and facts) needed to plan a single outing or multiple excursions.

The guide is divided into four separate color-coded tours in different areas of the region *please see the centerfold map* to help you plan the length of your trip. The directions provided are based upon moderate road conditions and may not be the most direct routes. Please be aware that many of these bridges are located on roads that are very narrow and are in remote settings. Travel at your own risk.*

Covered bridges are only part of the area’s charm. The Washington County Tourism Promotion Agency and Greene County Tourist Promotion Agency invite you to extend your trip to experience wonderful dining venues, quaint and outlet shopping, unique museums and a variety of outdoor and world-class entertainment. Be sure to contact the agencies for comprehensive Visitors Guides and additional maps of the area (contact information is on the preceding page).

Enjoy the ride.
